The event will be declared opened on 10<sup>th</sup> February, 2019 by 10:00am at the International Conference Centre (ICC), Abuja by His Excellency Muhammadu Buhari, President of the Federal Republic of Nigeria.

2. As Nigeria's official petroleum and a Pan-Africa event, NIPS 2020 is designed as a meeting place for the oil and gas industry to introduce new technologies, share ideas that will lead to development of new strategies. The 1<sup>st</sup> and 2<sup>nd</sup> Editions of NIPS held in 2018 and 2019 respectively attracted high-level attendance from across the continent and beyond.
3. NIPS 2020 will focus on technology, knowledge, sustainability and partnership that can enhance inflow of foreign investments while improving success rates of indigenous business engagements.
4. Furthermore, the event also intends to provide networking platform for key political decision-makers, government officials and industry specialists. It will facilitate close interaction of Nigerian political decision makers, government officials, industry specialists, leaders in the private sector and oil and gas sector, resulting in cross pollination of ideas.
