

Lead Edge Consulting

Leading Edge Consulting (LEC) is a leading specialist Management Consulting Firm. It commenced business in 1996 and since then, has focused mainly on providing effective solutions in the Human Resources & Organizational Development areas to varied organizations across sectors within Nigeria, some other West African countries and beyond. Our flagship service is our retained Executive Search and Selection which we carry out through IRC (Nigeria). IRC Global Executive Search Partnership is the fastest growing executive search alliance in the world. It is ranked by Hunt Scanlon amongst the top three globally. It has footprints in 80 countries across 6 continents. IRC (Nigeria) is thus both globally connected and locally committed

WORKSHOPS – NIPS 2020

Maureen Chiana

Maureen is a Neuro-leadership and Resilience leadership consultant, speaker and neuro-coach, working with leaders worldwide to help them achieve mental resilience, peak brain performance, improve their ability to manage stress, regulate emotions and lead at a high level. Having worked in senior leadership and management positions in different sectors, she has successfully run her own businesses in the UK in Education, Health Care, IT and Hospitality sectors. She has also worked on various Medical Research projects over the years. Her belief that if you understand how the brain really works – what makes humans “behave and feel” the way they do? – then, you have the tools to effectively recognise and deal with just about any challenge and obstacle you encounter.
